

RC Tank Electronics Limited Warranty

All RCTE products are warranted to be free of defects in materials and workmanship when new. Our limited warranty does not cover damages due to normal wear and tear, user error of installation, user modifications, user's failure to have due care and attention whilst using, use of aftermarket parts or unrecognised option parts.

This warranty lasts 90 days after original purchaser date. In the event of a defect under this warranty, RCTE will, at our discretion, repair or replace the product, provided our inspection indicates that an original defect exists. If RCTE determines the repair is not covered under warranty guidelines, we will contact you to discuss your options.

In the event the product is returned as faulty and is proven that the product is in full operating condition the user will be charged return shipping costs before the item is returned.

If you have any questions, please contact us via email at info@rctankelectronics.com.
